<u>MIDWEST REGION BROILER/FRYERS</u> - Final majority prices generally unchanged in all market areas; Ohio cities TFEWR. Whole broiler/fryer market tone was steady on light offerings. Retail and food service demand was for the most part slow to moderate; Chicago noted some fairly good demand into food service. Floor stocks were in a full range at desirable weights. Parts offerings were limited. Supplies of boneless dark meat, boneless/skinless breast, and wings were in the tightest position. The market tone was steady to firm on small wings, boneless dark meat, and breast cuts; leg bone-in parts were steady.
